---

---

---

---

---

---

---

## 2007 Goals

- ❖ Increase communication and establish presence at ISBE table. (63 dots)
- ❖ Identify what standards or lack of, denote full recognition, pending...non-recognition and follow them uniformly statewide on a cycle. Form a committee with ISBE, IARSS, and ISBE Legal to review the (compliance) probe to provide uniformity (August). Inservice ROEs of (compliance) probe, changes, etc. annually (August). *Compliance, (59 dots)*
- ❖ Assume an integral role in the delivery of universal preschool/become more active in early childhood issues statewide. *Ad Hoc, (56 dots)*
- ❖ Allow committee on "Best Practices" a real chance to showcase what offices are doing.

## Overarching Goals

- ❖ **Plan activities or actions that bring credibility to our offices**  
*(You can trust us to do the job!)*
- ❖ **Plan activities or actions that add value to our offices and let people know about them.**  
*(We are important, needed, and necessary!)*

---

**Perception and Reality** 

***“I believe you make your day. You make your life. So much of it is all perception, and this is the form that I built for myself. I have to accept it and work withing those confines, and it’s up to me.”***  
**- Brad Pittt**
